

Sponsor a Table at the

FARM Meets FORK Gala

Heim's Hillcrest Dairy
Kewaunee County

August 1, 2026 | 4:30 pm - 9:00 pm

Connect your business directly to the heart of Wisconsin Agriculture by sponsoring a table at the 11th Annual Farm Meets Fork Gala.

Hosted by the Kewaunee County Dairy Promotion Committee, this event brings together local business owners, professionals, and community leaders—many of whom don't typically have direct exposure to dairy farming—to experience firsthand the care, innovation, and dedication behind today's modern dairy operations.

Table Sponsorship – \$1,000

- Includes 8 seats - Invite your own guests or let us help fill your table with community leaders
- Support local agriculture and education efforts while networking with other professionals
- Your company logo on the sponsored table and event sign, plus social media recognition
- Free professional event photos shared after the event

Event Highlights:

- Hors d'oeuvres & social networking
- Farm tours led by the Heim family
- Learn about soil health from NRCS experts, Jamie Patton & Barry Bubolz
- Program emcee Nick Freimuth from Let's Go Door & Kewaunee County
- Elegant dinner by Executive Chef Aidan Wienke of Stella's in De Pere
- Keynote presentations: *Beyond the Human Eye: How AI is Changing Life for Our Cattle* by Katie Darnell, Cattle Care & Taylor Wittmus, EverAg
- Milk toast, frozen treats, and optional milking parlor viewing

This unique evening connects the fork to the farm, showcasing how Wisconsin dairy products are produced with the highest standards of quality and animal care—starting right on the farm.

Join us in supporting this one-of-a-kind event while building meaningful connections within our community.

Reserve your table today! All sponsorships must be paid by **June 1st** to receive guest invitations and recognition.

Thank you for supporting local agriculture and the future of dairy.
